

TRANSFORM. LEAD. CARE.

### Patient Rights

- **Be told** whatever is needed to understand why you are here.
- **Be told** exactly what will be done and exactly what it will feel like.
- **Be given** understandable answers to any questions or worries you have about treatment.
- **Tell** everyone what you think and feel about your treatment and what is planned for you.
- **Know** that when you are in pain people taking care of you will listen to you and help you feel better.
- **Be told** by people who need to touch your body exactly what they will do and that they will do it in a gentle and private way.
- **Have** your family with you as much as you want, whenever possible.
- **Have** help to know how to take care of yourself when you go home.
- **Get** angry, cry or say what you don't like about what is happening to you.
